A big thanks to **Jack Marino** for speaking in the CCOEP July Membership Meeting. Jack covered mobility fees vs., impact fees, and explained what a complex issue it is. If you missed this meeting and had questions Re: mobility fees then you missed your chance to ask questions of our county commissioner.

Let's Get Together

Our first Club Membership Breakfast Was a success. We had 33 in attendance and ALL the food we could possibly eat. While it was a little warm we were fortunate to have the pavilion and stayed out of the sun.

It was a time to get to chat with others in our club! FUN!
